**Church of the Nativity**  
 Church of the Nativity: It is in the center of Bethlehem. Located in the Nativity Square, where a Christmas tree stands during Christmas Holidays. The Omar Ibn Al-Khattab Mosque also is located in the same square.

**The Closed Paradise**  
 Located between an amazing green village and a hill. Beyond the Monastery, we can also find its church, orchards, and a nursery for children

**Convention Palace Center**  
 A historical and social building consisting of a natural history museum and a conference hall.

**Solomon's Pools**  
 A group of large pools of water. In ancient times, the water was channeled through the longest water channel in Palestine. It used to be the main source of water in Bethlehem and Jerusalem. Today it is a park.

**Aida Refugee Camp**  
 A refugee camp whose residents were expelled from 17 villages of Jerusalem and Hebron. It is famous for the large key hanging on its main entrance.

**Dheisheh Refugee Camp**  
 One of the three refugee camps in Bethlehem. Its residents sought refuge in it after they were forcefully expelled from 45 villages of West Jerusalem and Hebron.

**Banksy's Walled Off Hotel**  
 It welcomes the visitors with a spectacular exhibition of Banksy's paintings. It has the worst view of a hotel in the world; the apartheid wall view.

**Checkpoint 300**  
 The main checkpoint through which the inhabitants of Bethlehem and Hebron cross into Jerusalem.
